REQUEST TO CORRECT FILING RECEIPT

Mail Stop: Missing Parts
Commissioner for Patents
Post Office Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant hereby request the U.S. Patent and Trademark Office to correct the filing receipt for the above identified application.

Applicant request that the filing receipt be corrected such that the 371 (c) date reads December 6, 2005 instead of March 27, 2006. In support hereof we attach a copy of the return postcard containing the application number and date filed, notification of Missing Parts which indicates all the requirements of 371 (c) we filed and received December 6, 2005, and the incorrect Notice of Acceptance which indicates the specification and claims were received March 27, 2006, when in fact these were received December 6, 2005. It is apparent to the applicant that the PTO erred in entering the data on the PTO server. The PTO confused the initial filing date with the date in which the Response to Missing Parts was filed and the Assignment was recorded. Also attached is the photo copy of the return postcard for such filings.

In the event there are any further fees due and owing in connection with this matter, please charge same to our Deposit Account No.: 11-0223.

Dated: May 7, 2008

Respectfully submitted,
